Welcome to Alexandria (Egypt)

- Welcome to Alexandria: Especially in October it is the most beautiful weather through the whole year. Alexandria (Iskendaryia, in Arabic) is the second largest city in Egypt. It is located in the Mediterranean coast and it is one of the most mythical cities in this country.

- Unfortunately not much remains today of this city's golden ages. Most of the ruins are under the current buildings or under the water.

- The city was found by Alexander the great in 331 BC A few years later the legendary hghthouse, one of the seven wonders of the world was constructed.

Scientific Language: English ; Arabic
