Recently there has been a growing awareness of the importance of Biological and Psychological models in Psychiatry; thus this congress will highlight these important issues.

The conference main speakers will be opinion leaders in the field of psychiatry as well as policy and decision makers.

It is hoped that the exchange of knowledge in this congress between colleagues will promote the service offered to psychiatric patients.

You are invited to participate in this scientific event. We believe that it will be a fruitful scientific, spiritual and cultural experience.

We will do our best in making your participation scientifically rewarding and your stay in Jeddah enjoyable.

Dr. Mohammed Khaled  
Secretary General of the Conference
