Welcome Message

Dear participants,

We are pleased to announce the 10th Alexandria International Psychiatric Congress. Our theme this year is Pursuing Remission in Psychiatric Practice we chose it to Emphasize the holistic approach in managing psychiatric patients, as our goal goes beyond treatment only , it extends to encompass many facets; most important; achieving remission . We find that the warm weather of our lovely city Alexandria shall give us the background to meet with our friends and colleagues from all over the world. We hope we shall have a great opportunity for a fruitful scientific discussion and social gathering with your attendance.

Looking forward to meet you,

Congress President

Prof. Hoda Salama

Head of Psychiatric Unit.

Faculty of Medicine Alexandria University

Welcome to Alexandria (Egypt)

Welcome to Alexandria especially in October it is the most beautiful weather through the whole year.

Alexandria (Iskendariyya in Arabic) is the second largest city in Egypt. it is located in the Mediterranean coast and it is one of the most mythical cities in this country.

Unfortunately not much remains today of this city's golden ages. Most of the ruins are under the current buildings or under the water. The city was founded by Alexander the great in 311 BCA

Few years later the legendary lighthouses. One of the Seven Wonders of the World Was constructed
