DEAR COLLEAGUES

*The Units of Child and Adolescent Psychiatry, Department of Psychiatry, Kasr Al Ainy, Faculty of Medicine, Cairo University announce the **Fourth Child and Adolescent Psychiatry Conference in Cairo 10 - 12 of December 2013**. The theme this year deals with an issue that has challenged many mental health professionals, namely **Gender and Genitalia in Children with Disorders of Sex Development***

This year we are privileged with the contribution of an eminent expert:

***Professor Heino F. L Meyer-Bahlburg,**
Research Scientist; Professor of Clinical
Psychology, Dept. Psychiatry, Columbia University, New York,
NY*

*In addition to our day conference on Gender and Genitalia in Children with Disorders of Sex Development, the conference offers a **Workshop on Clinical Gender Management in Disorders of Sex** conducted by Prof. Heino F. L Meyer-Bahlburg, With the contribution of our distinguished expert and your interactive participation we hope this conference offers an international perspective, a diversified wealth of clinical and evidence based information that could be applied in day-to-day practice.*

We very much look forward to welcoming you.

Head of Psychiatry Department
Lamis El Ray

Conference President
Azza El Bakry

Conference Secretary
Omnia Raafat

ECAPA President
Suaad Moussa

Registration:

Day Conference, December 10, 2013

Registration for the day conference with Servo Egypt (L.E. 150 for ECAPA Non Members & L.E. 100 for EPA and ECAPA Members,)

Workshop, December 11 - 12, 2013
